CAMP T-SHIRTS

Camp t-shirts will be issued to any camper who will be traveling on a camp trip. Campers must wear their shirt on trip days. Your camper will only be issued one shirt per summer. If the shirt is misplaced you will be responsible for purchasing a new one. Campers will not be allowed to attend camp trips without wearing a camp shirt!

ELECTRONICS

It is strongly recommended that campers do not bring anything of value (i.e.: I-pods, cell phones, toys, electronic games, etc.) We are not responsible for lost, stolen or damaged items. **Campers are not permitted to play with personal electronic equipment at camp.**

FORMS

All children attending Summer Fun must have a current medical form on file prior to the start of camp. **If we do not have your updated forms, your child will not be permitted to attend camp.**

LOST AND FOUND

Please label all your child's belongings. The lost and found cabinet is located in the vestibule next to the office. Please check it regularly. Any items not claimed by the end of camp will be discarded or donated.

LUNCH & SNACK

Please send your child with a labeled lunch and drink each day. Lunches are refrigerated. If your child is staying for the After Camp Option, please provide an additional snack. All campers in preschool, kindergarten and 1 & 2 grades should bring a mid-morning snack each day. Snack must be labeled and placed in the appropriate bin at drop-off.

MEDICAL

NYS Department of Health mandates all campers must have a health form (including immunizations) on file prior to the first day of camp. **Children will not be allowed to attend camp without one.**

Your camper's health and safety are the highest priorities at camp. Most camp injuries are minor and will be handled by our on site Health Director. If an injury occurs that needs further attention, you will be called to pick up your child. In a serious emergency, your child may be sent to the hospital with the paramedics. Please do not send your child to camp sick. Should your child become ill at camp, we will call you for pick-up.

Our Health Director is permitted to administer lifesaving medications only (i.e.: epi pen, inhaler). You are responsible for dropping off and picking up your child's medications with the Health Director daily. The camper's counselor will be instructed on proper care and emergency situations.

Campers with diabetes must have a Diabetes Medical Management Plan (DMMP) completed by the parent/guardian and approved by the camper's healthcare provider. This must be presented to the medical director for review with the parent/guardian to assure the necessary items will be brought to camp. The medical director will ascertain that the camper is properly prepared to self-administer insulin as directed by their physician, and will discuss implementation of the DMMP as well as storage of supplies.

PICK-UP & DROP-OFF

Camp starts at 9:00am and ends at 3:00pm unless your child is registered for the before or after camp program. There will be a \$5 fee for every additional 15 minutes your child is here past their dismissal time. Parents must escort their children in and out of the building and sign their child in/out with the head counselor. All campers must enter through the front door. The gym doors are not open for pick-up/drop-off.

Group Drop-off locations are as follows:

- Preschool Camp: Preschool Classroom

Arrangements must be made in advance if your child is to go home with someone other than their parent or guardian. This request needs to be provided in writing, and the person picking up must show a photo ID if they are not known to the staff. If you arrive late or need to pick up your camper early, please head straight to the main office. Do not roam the building looking for your child's group.

Campers who do not pass the deep water test or choose to not test at all are automatically designated yellow band swimmers. Swim tests will happen at the beginning of each week of camp and will be overseen by a certified Water Safety Instructor.

REFUND / CREDIT

Refunds will be issued to all registrants in case of program cancellation by the Recreation Department. Refunds, at registrant's request, may be made up to one week prior to the start of the program. Participants may be offered a pro-rated credit towards future recreation fees if a documented medical problem prevents completion of a program. All department credits must be used within a year of date issued. No refunds for ticket purchases for any trips, events or theatre productions. **There is a 15% administrative fee for all refunds and withdrawals issued less than one week prior to the start of the program. Once the program has begun, there are no refunds except for documented medical reason.**
